

10 August 2013

The **2013 SQLRG Workshop** will be held on 26th and 27th September at the University of Southern Queensland, in Toowoomba on the Darling Downs in South East Queensland.

Our theme for this year's Workshop is '**Getting the Basics Right**'.

SQLRG workshops will be held every six months and will focus on Best Practice Rehabilitation.

On behalf of the Workshop Organising Committee, it is our pleasure to invite you to participate in the Inaugural 2013 SQLRG Workshop by submitting an abstract to present at the Workshop.

Abstracts are being sought for presentations which address one or several of the following topics:

- Rehabilitation
- Soil Science
- Vegetation selection
- Case studies of recent rehabilitation projects
- Research for rehabilitation success
- Educational initiatives for environmental success
- Government expectations and compliance

Abstract Submission

All Abstract submissions are to be done electronically by emailing through to techservices@landloch.com.au to my attention. The cutoff date will be the 31st August, 2013.

Regards,

Col Schiller
