

Hanlon Park September Field Day

Quest Woolloongabba Parking: Onsite parking available (2.1m height restriction). Keys can be collected from reception to enter the underground carpark and will need to be returned to reception upon parking. Limited street parking available. More underground paid parking available at Woolworths Woolloongabba, which is a short two-minute walk to the hotel.

What to wear: There is no need for full PPE, but it would be wise to have clothes suitable for walking in the park– closed shoes, sun protection (hat, long sleeved shirt, sunscreen, and so on).
