Spring Pastures Koala Fodder Plantation

Volunteer Koala Fodder plantation Spring Pastures Bushland Reserve, Mapleton

In partnership with Councillor David Law, ECOllaboration, Rotary Club of Nambour, VB Realty and the Sunshine Coast Council, a Koala Fodder plantation will be installed in this area to aid in the rehabilitation of orphaned and rescued Koalas from throughout the region.

Please get in touch if you are interested in assisting with maintaining this small but important piece of our region. Sunshine Coast Council invites you, your family, friends and neighbours to share in helping to care for the local ecosystem. Works are scheduled for completion 16th July 2023.

For more information on how to be part of this Parks Community Volunteer Project please contact:

Rachel Connolly (Volunteer wildlife carer) - 0407 881 008 or <u>HinterlandWildlife@icloud.com</u> Parks Community Partnerships (Sunshine Coast Council) – 5475 7272 or parksandgardens@sunshinecoast.qld.gov.au
